

#### **APPLICATION FOR HOMEOWNERSHIP**

#### **INSTRUCTIONS:**

- 1. SUBMIT ONLY ONE APPLICATION PER HOUSEHOLD. You may be disqualified if more than one application is received per lottery for your household.
- 2. Applications are selected randomly through a lottery. Depending on the volume of applications received, it may not be possible for all of them to be processed. Accordingly, it is possible that you may not receive a response. All applicants are encouraged to monitor the online housing resource center established by The City of New York (nyc.gov/housing) to keep up with new housing opportunities to which they may apply.
- 3. You must complete the first three sections (Sections A, B, and C) as well as sign and date the application in order for your application to be reviewed if it is selected for further processing. The application should be completed very carefully. Incomplete information for the number and names of household members applying to live in the unit, or their incomes, may result in disqualification. In addition, do not use white-out or liquid paper anywhere on the application. If you need to correct a mistake, you should cross one line neatly through the information, write the revised information neatly next to it, and sign your initials near the change.
- 4. When completed, this application must be returned by regular mail ONLY to the address below. To ensure that it arrives successfully at the P.O. Box, do not use certified mail, return receipts, or any method requiring a signature confirmation.
- 5. The completed application must be postmarked no later than September 25, 2018.
- 6. Only the application should be submitted at this time. If your application is selected for further processing, additional information will be requested at that time.
- 7. Mail completed application to:

#### CULVER EL PROJECT PHASE 1 P.O. Box # 189115 BROOKLYN, NY 11218

- 8. No payment should be given to anyone in connection with the preparation or filing of this application. No broker or application fees may be charged. If your application is selected for further processing, a non-refundable credit check fee may be collected by the management company at that time. For units with income limits set at or below 80% of New York City's Area Median Income (AMI) level, the fee is not to exceed \$25 per application (for households with 1 or 2 adult members), or \$50 (for households with 3 or more adult household members). For units with income limits set above 80% AMI, the fee is not to exceed \$50 per application (for households with 1 or 2 adult members) or \$75 per application (for households with 3 or more adult members).
- 9. <u>Income Eligibility</u>: Please review the chart in the project advertisement which breaks down the mandatory income levels for the HPD/HDC housing program of the project you are applying to, based on household size. List all current income sources for all household members on the application. In general, gross income is

calculated for most applicants, except that net income is analyzed for self-employed applicants. Further, please note that if your application is selected for further processing, all sources of income will need to be documented and verified. If your application is selected, you will be contacted, via the method you select on the application (email or paper mail), with a list of such documentation that you will need to provide at that time.

- 10. <u>Other Eligibility Factors</u>: In addition to the income requirements, other eligibility factors will be applied. Eligibility factors may include, but are not limited to:
  - a. Criminal Background Checks
  - b. Qualification as a Household the Agency's housing programs are designated for individuals, families and households who can document financial interdependence as a household unit. These affordable programs are not intended for "roommate situations" and so such applicants may not be eligible under this household criterion.
  - c. Continuing Need Applicants to HPD/HDC's affordable housing programs must demonstrate a continuing need for housing assistance through an analysis of their assets and recent income history.
  - d. Property Ownership –No member of the applicant household may own, or have previously purchased, any residential property, including shares in a co-op.
  - e. Asset Limits There is a limit to the amount of total household assets allowed (excluding specifically designated retirement and college savings accounts). For a homeownership unit, the value of the applicant's household assets may not exceed the current four (4)-person HUD income limit for 175% of area median income (AMI). The 2018 asset limit for homeownership units is \$182,525.
  - f. Gift Income Households receiving gift income exceeding \$10,000/year are not eligible, unless they would be income-eligible with or without the gift income.
  - g. Credit history Marketing agents and lenders evaluate credit history to determine if you may qualify for a private mortgage and, if so, what the terms of the mortgage may be.
  - h. "Seasoned" down payment funds There may be rules about how long some or all of your down payment money has to be in your bank account prior to purchase. Three to six months is a common amount of time.
- 11. <u>Application Preferences and Set-Asides</u>: There is a general preference in the lottery for current New York City residents (the five boroughs). Households outside of New York City are free to apply, but their applications will be assigned a low priority status and processed only after all NYC resident applicants. A percentage of units is designated for persons with mobility, hearing, and vision disabilities, and there are additional preferences for persons residing in this development's community board and persons who are municipal employees of the City of New York. Project-specific preferences may apply. Please answer the questions on the application carefully to assist in identifying such preferences.
- 12. <u>Primary Residence Requirement:</u> Any applicant ultimately approved for this development must maintain the new home as their sole primary residence. If approved for an affordable housing unit, the applicant must surrender any unit where applicant is then currently residing. Each member of the applicant's household who leases rental residential real property must terminate the lease for and surrender possession of such rental property on or before the purchase date for a homeownership affordable unit. For a homeownership affordable unit, the applicant must agree to continuously occupy the affordable housing unit as his or her sole primary residence, residing there no less than 270 days per year, with the exception of days spent on active military duty or subleasing (where permitted by the project's regulatory documents).
- 13. Submission of False or Incomplete Information: Prospective applicants should be aware that this is a governmentally assisted housing program. The submission of false or knowingly incomplete information (either in this application or in any subsequently provided verification documents) will not only result in an applicant's disqualification, but will be forwarded to the appropriate authorities for further action including the possibility of criminal prosecution. All paperwork and documents submitted by applicants are subject to review by the New York City Department of Investigation, a fully empowered law enforcement agency of the City of New York.
